

1

I am connected to a source of lavish, unfailing abundance, the rich omnipresent substance of the universe. This all-providing source of infinite prosperity is individualized as me – the reality of me.

2

I lift up my mind and heart to be aware, to understand and know that source provides for all of my good.

3

I am conscious of source in and around me as my lavish abundance. I am conscious of the constant activity of this mind of infinite prosperity. Therefore my consciousness is filled with the light of truth.

4

Through my consciousness of source, I draw into my mind and feeling nature the very substance of spirit. This substance is my supply, thus my consciousness of source within me is my supply.

5

Money is not my supply. No person, place, or condition is my supply. My awareness, understanding and knowledge of the all providing activity of the divine mind within me is my supply. My Consciousness of this truth is unlimited, therefore my supply is unlimited.

6

My inner supply instantly and constantly takes on form and experience according to my needs and desires. As the principle of supply in action, it is impossible for me to have any needs or unfulfilled desires.

7

Source is forever expressing its true nature of abundance. This is its responsibility, not mine. My only responsibility is to be aware of this truth. I am totally confident in letting go and letting source appear as the abundant all-sufficiency in my life and affairs.

8

My consciousness of spirit within me as an unlimited source is the divine power to restore the years the locusts have eaten, to make all things new, to lift me up to the high road of abundant prosperity. This awareness, understanding and knowledge of spirit appears as every visible form and experience that I could possibly desire.

9

When I am aware of spirit within as my fulfillment, I am totally fulfilled. I lean into this truth and relax in knowing that abundance is eternally operating in my life. I lean into the flow and radiation of that creative energy, which is continuously, easily and effortlessly pouring forth from my consciousness.

10

I keep my mind and thoughts off the world and place my entire focus on source as the only cause of my prosperity. I acknowledge spirit within as the only activity in my financial affairs, as the substance of all things visible. I place my faith in the principle of abundance in action in me.

10 Principles of Abundance
